*“The truth is, you cannot fix everything. But what you can do, here and now, is make a decision, because life is about decisions. And the decision is that you will use your life in service; you will be in service to life. You will speak up. You will show up. You will stand up. You will sit in. You will volunteer. You will vote. You will shout out. You will help. You will lend a hand. You will offer your talent and your kindness however you can, and you will radically transform whatever moment you’re in – which leads to bigger moments. You have no idea what your legacy will be.” – Oprah Winfrey*
